1. PREAMBLE

This Intra-Agency Agreement Amendment No. 1 (Amendment No. 1), between the UNITED STATES OF AMERICA, Western Area Power Administration (Western), and UNITED STATES DEPARTMENT OF ENERGY-ALBUQUERQUE OPERATIONS OFFICE (DOE-AL) as part of Intra-Agency Agreement No. 98-SLC-0357 (Original Agreement) pursuant to the same authorities as the Original Agreement, and subject to all of the provisions of the Original Agreement except as herein amended.

2. EXPLANATORY RECITALS

- 2.1 The DOE-AL is responsible for the acquisition of electric power and energy for the Kirtland Air Force Base (KAFB) / Sandia National Laboratories (SNL), located near Albuquerque, New Mexico.
- 2.2 Western and the DOE-AL executed the Original Agreement on April 26, 1999, which provides among other things, Western to sell to the DOE-AL the power supply, ancillary services and related transmission services required to meet the KAFB/SNL electric power and energy supply needs beyond those supplied by Western to KAFB under the Western/KAFB Interagency Agreement No. 87-SLC-0029.
- 2.3 The Original Agreement, Subsection 10.1, set forth the term of the Original Agreement for a five-year period, which commenced on April 26, 1999 and concludes on April 25, 2004. The Original Agreement, Subsection 10.3,

also provides for the DOE-AL's unilateral authority to extend the Original Agreement's five-year term by an additional five-year term, commencing on April 26, 2004 and concluding on April 25, 2009, conditioned upon the DOE-AL providing Western notice of DOE-AL's intent to extend the Original Agreement's term at least one-year prior to the Original Agreement's scheduled April 25, 2004 conclusion date.

- 2.4 On October 29, 2002, the DOE-AL provided Western notice of the DOE-AL's intent to extend the term of the Original Agreement thereby meeting the Original Agreement's Subsection 10.3 conditions.

3. AMENDMENT NO. 1 MODIFICATION

- 3.1 The Original Agreement's Section 10 "TERM OF AGREEMENT", Subsection 10.1, is revised in its entirety to read as follows:

4. ORIGINAL AGREEMENT TO REMAIN IN EFFECT

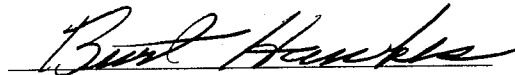

Except as expressly amended herein, the Original Agreement shall remain in effect, and this Amendment No. 1 shall be subject to all the provisions of said Original Agreement as modified herein.

5. TERM OF AMENDMENT NO. 1

This Amendment No. 1 shall become effective on this 30<sup>th</sup> Day of October 2002, when fully executed by the DOE-AL's designated representative, and shall remain in effect until the completion of or termination of the Original Agreement whichever occurs first.
